Welcome to OpenSpiro

Thank you for being a part of the study!

If you have any questions or concerns about the study, please ask the experimenter now.

When you're ready to get started, tap the button at the bottom of the screen.

Get Started

Testing Environment

Ready for Calibration

Press the 'Begin Effort' button below.

**Begin Effort**
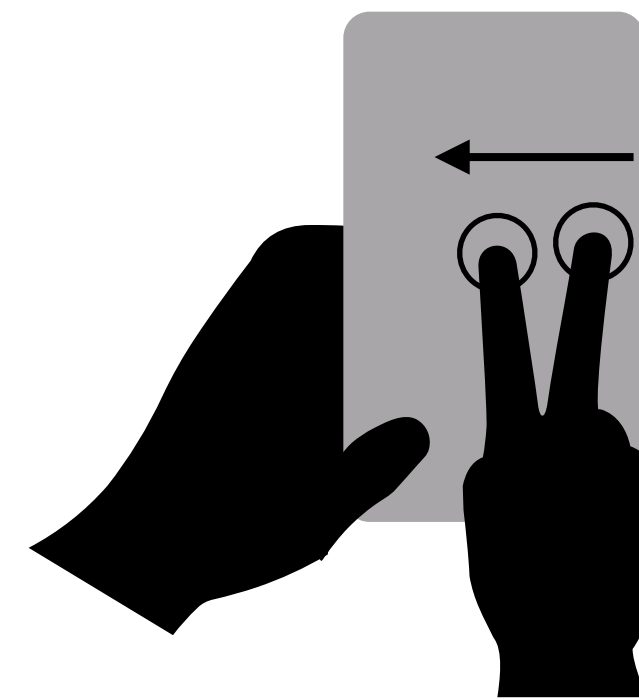

Cancel effort in progress

Note: This gesture will also work on views with the same layout

Experimenter Configuration Panel

Effort Complete

You completed an effort, but you still need more to complete the test.

Before starting the next effort, you'll need to take a moment to rest. Relax and breathe normally until the timer below expires. When the timer does expire, tap the button at the bottom of the screen to continue.
